Guaranteed Interest Rate – The interest rate that will be credited to Your contract during each Guaranteed Interest Rate Period. SECTION II

CONTRACT VALUES

PREMIUM

After the initial Premium, subsequent premiums are not allowed.

ACCOUNT VALUE

The Account Value of this contract is the Net Premium, less withdrawals including any Withdrawal Assessments, increased by accumulated interest.

SURRENDER VALUE

The Surrender Value of this contract on and prior to the Annuity Date shall be equal to the Account Value adjusted by any Withdrawal Assessments.

At no time shall the Surrender Value be less than the Minimum Guaranteed Contract Value.

MINIMUM GUARANTEED CONTRACT VALUE

The Minimum Guaranteed Contract Value on any date equals the Nonforfeiture Premium Percentage shown on the Specifications Pages, multiplied by the Net Premium, less any withdrawals, accumulated at the Nonforfeiture Interest Rate shown on the Specifications Pages. For the purpose of calculating the Minimum Guaranteed Contract Value, withdrawals would not include any Withdrawal Assessments.

The paid-up annuity, Surrender Value, or Death Benefit available under this contract will not be less than the minimum benefits required by the NAIC Standard Nonforfeiture Law for Individual Deferred Annuities, model #805, using the nonforfeiture interest rate consistent with the minimum nonforfeiture interest rate prescribed in state statute for the state in which the policy is delivered or issued for delivery.

INTEREST

The initial Guaranteed Interest Rate for the initial Guaranteed Interest Rate Period is specified on the Specifications Pages. Interest is credited daily on the Account Value at the applicable interest rate.

Each time You elect (or are defaulted into) a new Guaranteed Interest Rate Period, as explained below, interest will be credited daily at the renewal Guaranteed Interest Rate declared by Us for the applicable Guaranteed Interest Rate Period. The renewal Guaranteed Interest Rate will be at least equal to the Minimum Guaranteed Interest Rate shown on the Specifications Pages.

GUARANTEED INTEREST RATE PERIODS

At least 45 days, but not more than 75 days, prior to the end of the Guaranteed Interest Rate Period, We will notify You at Your last known address of the options available to You at the end of the Guaranteed Interest Rate Period. During the 30 days prior to the end of each Guaranteed Interest Rate Period, You may provide Us with a Written Request to allocate Your Account Value among one of the following options:

Option (1): Apply any or all of Your Account Value to one of the available Guaranteed Interest Rate Period(s) at the applicable renewal Guaranteed Interest Rate. No Withdrawal Assessments will apply during the last 30 days of a Guaranteed Interest Rate Period; however, Withdrawal Assessments will be applicable to any withdrawals or surrenders during any subsequent Guaranteed Interest Rate Period with a

term of more than one year. Subsequent Guaranteed Interest Rate Periods are limited so as not to extend past the Maturity Date; or

Option (2): Apply Your entire Account Value, less any applicable premium tax, to one of the Settlement Options then offered by the Company, without any Withdrawal Assessments; or

Option (3): Surrender or withdraw any of Your Account Value without any Withdrawal Assessments.

In any case the sum of amounts applied to Options (1), (2), and (3) must equal 100% of Your Account Value.

You must provide Us with a Written Request to allocate Your Account Value among these options before the end of the current Guaranteed Interest Rate Period. If You do not provide a Written Request to so allocate, then Your Account Value will renew into a Guaranteed Interest Rate Period of the same term as Your prior Guaranteed Interest Rate Period, unless this same term is not available or would extend beyond the Maturity Date. If the same duration of the prior Guaranteed Interest Rate Period is not available or would extend beyond the Maturity Date, Your Account Value will renew into the next shortest Guaranteed Interest Rate Period available that does not extend beyond the Maturity Date.

SECTION III

PAYMENT OF PROCEEDS

WITHDRAWALS AND SURRENDERS

At any time on and prior to the Annuity Date, You may make withdrawals from the Account Value of this contract by Written Request. No withdrawal may be in an amount less than the Minimum Withdrawal Amount shown on the Specifications Pages. Withdrawals may be subject to Withdrawal and Surrender Charges and Market Value Adjustment as described below.

If a withdrawal is requested that would leave the Account Value lower than the Minimum Account Value shown in the Specifications Pages, then the Company will treat such withdrawal as a surrender and terminate the contract.

At any time on and prior to the Annuity Date, You may surrender this contract for its Surrender Value by Written Request. We may require that this contract accompany the Written Request for a surrender.

We reserve the right to defer payment for a period of six (6) months after receiving a Written Request for a withdrawal or surrender, provided that We have obtained written approval to defer payments from the chief insurance regulator of Our state of domicile.

WITHDRAWAL AND SURRENDER CHARGES

In the case of a withdrawal or surrender prior to the last 30 days of a Guaranteed Interest Rate Period, Withdrawal and Surrender Charges shall apply. The applicable charges shall be computed by applying the Withdrawal and Surrender Charges, as shown on the Specifications Pages, to the amount withdrawn or surrendered less the Free Withdrawal Amount.

Withdrawal and Surrender Charges are not applied to the Free Withdrawal Amount, to the Death Benefit, to any amount applied to a Settlement Option on the Annuity Date, or in any case where Withdrawal Assessments are waived.

MARKET VALUE ADJUSTMENT PROVISION

The amount payable on withdrawals or surrenders may be adjusted up or down by the application of the Market Value Adjustment.

The Market Value Adjustment is equal to the amount withdrawn, less any available Free Withdrawal Amount, times the Market Value Adjustment Factor.

The Market Value Adjustment Factor is:

$(I - J) \times N$, where:

I = The interest rate of the Reference Index as of the first day of the current Guaranteed Interest Rate Period;

J = The interest rate of the Reference Index as of the date of Your withdrawal or surrender;

N = The number of complete months from the date of surrender or withdrawal to the end of the Guaranteed Interest Rate Period divided by 12.

The Reference Index is the index named in the Specifications Pages of Your contract. If: (i) the Reference Index is discontinued; (ii) We are unable to use the Reference Index; or (iii) the calculation of the Reference Index is changed substantially, We may substitute a suitable alternative index approved, if necessary, by the Interstate Insurance Product Regulation Commission. We will notify You and any assignee of any such substitution of the Reference Index.

The interest rate of the Reference Index on any day is the reported interest rate of the Reference Index as of the close of trading on the New York Stock Exchange. For any day when the interest rate of the Reference Index is not reported, We will use the most recent prior reported interest rate of the Reference Index.

The Market Value Adjustment will be determined such that the Surrender Value cannot be decreased below the Minimum Guaranteed Contract Value. If the Market Value Adjustment results in an increase, the increase cannot exceed the maximum Market Value Adjustment that could have been deducted if the Market Value Adjustment had resulted in a decrease, as limited in the preceding sentence.

The Market Value Adjustment is not applied to the Free Withdrawal Amount, to any amount withdrawn or surrendered from a Guaranteed Interest Rate Period during the 30 days prior to its expiration, to the Death Benefit on death of the Owner, to any amount applied to a Settlement Option on the Annuity Date, or in any case where Withdrawal Assessments are waived.

FREE WITHDRAWAL AMOUNT

The Free Withdrawal Amount is equal to the greater of:

1. The Free Withdrawal Percentage shown on the Specifications Pages multiplied by the Account Value (calculated as of the last Contract Anniversary prior to withdrawal), in any Contract Year after the Free Withdrawal Availability Date; and
2. If Your contract was issued in connection with certain Individual Retirement Accounts or Annuities ("IRAs"), or other tax qualified plans, the annual Required Minimum Distribution for Your contract as may be required and as calculated by Us under the Code Section 401(a)(9) (or any successor Code section) and the regulations thereunder. Only one tax year's Required Minimum Distribution can be taken free of charges during any one Contract Year.

If Your contract is a Non-Qualified Contract or a Qualified Contract from which no Required Minimum Distribution is currently due, there is no Free Withdrawal Amount until the Free Withdrawal Availability Date shown on the Specifications Pages.

The Free Withdrawal Amount will be reduced by any prior withdrawals, except prior withdrawals that are not otherwise subject to Withdrawal and Surrender Charges, taken during the same Contract Year. Any portion of the Free Withdrawal Amount that is not used during a Contract Year will not be available for use in future Contract Years.

ANNUITY PROVISION

You may select Your Annuity Date and commence annuity payments under a Settlement Option at any time after the first Contract Year as described in more detail in Section IV.

PROVISIONS IN THE EVENT OF A DEATH

This contract is intended to comply with the laws and corresponding regulations of the Code including, without limitation, Section 72(s) of the Code, as applicable, and to qualify as an annuity contract for U.S. federal tax purposes. As such, the terms of this contract will be interpreted to maintain such compliance and qualification, notwithstanding any language to the contrary. In all cases, no Owner or Beneficiary will be entitled to exercise any rights that would adversely affect the treatment of Your contract as an annuity contract under the Code and regulations thereunder.

Death of Any Owner Prior to the Annuity Date

Death Benefit

Except as provided below, if any Owner dies before the Annuity Date, We will pay the Death Benefit to the Beneficiary upon receipt of Due Proof of Death from that Beneficiary. If any Owner is a Non-Natural Person, then the death of any Annuitant is considered the death of an Owner for purposes of these Provisions in the Event of a Death. No Annuitant can be changed, except as permitted below in the Payment of Death Benefit section or Death of Any Annuitant Prior to the Annuity Date section. If any Owner is a Non-Natural Person, no Annuitant can be changed.

The amount of the Death Benefit will be equal to the Account Value on the Death Benefit Date, reduced by any applicable premium tax or similar tax. No Withdrawal Assessments will apply. Each Beneficiary's share of the Death Benefit will remain in the Guaranteed Interest Rate Period until the date on which we receive Due Proof of Death from that Beneficiary. The Death Benefit will include any interest. The interest is calculated as follows:

- (a) beginning on the date that Due Proof of Death from the applicable Beneficiary is received by the Company, interest shall accrue at the rate or rates applicable to the contract for funds left on deposit with the Company or, if the Company has not established a rate for funds left on deposit, at the Two-Year Treasury Constant Maturity Rate as published by the Federal Reserve. In determining the effective annual rate or rates, the Company shall use the rate in effect on the date that the Company receives Due Proof of Death; and
- (b) additional interest at a rate of 10% annually shall begin accruing 31 days from the latest of (i), and (ii), where: (i) is the date that Due Proof of Death from the applicable Beneficiary was received by the Company, and (ii) is the date that legal impediments to payment of proceeds that depend on the action of parties other than the Company are resolved and sufficient evidence of the same is received by the Company. Legal impediments to payment include, but are not limited to (a) the establishment of guardianships and conservatorships; (b) the appointment and qualification of trustees, executors and administrators; and (c) the submission of information required to satisfy state and federal reporting requirements.

Payment of Death Benefit

If any Owner dies before the Annuity Date, the Death Benefit must be paid within five years of the Owner's death. However, each Beneficiary that is a natural person may elect by Written Request to receive their portion of the Death Benefit in equal payments over the life of such Beneficiary or over a period not extending beyond the life expectancy of such Beneficiary, provided such payments begin within one year of the Owner's death.

If the sole Beneficiary is the Owner's surviving spouse (within the meaning of U.S. federal tax law), the Beneficiary may elect to continue the contract in force as the sole Owner and, if there is no living Annuitant, the Annuitant. In this instance the Provisions in the Event of a Death will not be applicable until the spouse's subsequent death.

Death of Any Owner On or After the Annuity Date

If any Owner dies on or after the Annuity Date, the remaining value, if any, will be distributed at least as rapidly as under the Settlement Option in effect on the date of death.

Death of Any Annuitant Prior to the Annuity Date

Prior to the Annuity Date, the rules above in the Death of Any Owner Prior to the Annuity Date section apply upon death of an Annuitant if the Owner is a Non-Natural Person, or if the deceased Annuitant is an Owner, by treating the Annuitant's death as the death of an Owner. Otherwise, if an Annuitant dies, and such person is not an Owner, then the Owner(s) may name a new Annuitant except when there is a living Annuitant. If no Annuitant is so named, the Owner(s) will become the Annuitant(s).

Death of Any Annuitant On or After the Annuity Date

If any Annuitant dies on or after the Annuity Date, the remaining value, if any, will be distributed at least as rapidly as under the Settlement Option in effect on the date of death.

SECTION IV

GENERAL SETTLEMENT OPTIONS

ELECTION

Prior to the Annuity Date, the Owner may elect:

1. to have payments made to the Owner, or any person designated at any time by the Owner, under any one of the Settlement Options listed in this contract, or any other Settlement Option then offered by Us; and
2. that settlement with a Beneficiary be made under any one of the Settlement Options consistent with the Death of Any Owner Prior to the Annuity Date section above and the Code and regulations thereunder.

If Your contract is still in force on the Maturity Date shown on the Specifications Pages, and no Settlement Option has been elected, the Account Value, less any applicable premium tax, will be applied under Settlement Option Two to provide a Life Annuity with 10-Year Period Certain. In this event, if there are Joint Annuitants, the Annuitant whose life is to be referenced in determining the payments will be the youngest Annuitant.

If any Owner dies on or after the Annuity Date, the remaining payments, if any, will be paid to the Beneficiary.

AVAILABILITY OF OPTIONS

A Settlement Option may be elected only if:

1. the contract has been in effect for at least one year after the Contract Date; and
2. the contract has not yet reached the Maturity Date.

On the Annuity Date, the Account Value of Your contract, less any applicable premium tax, may be applied under one Settlement Options subject to the Minimum Modal Annuity Payment amount shown on the Specifications Page.

Monthly, quarterly, semi-annual or annual payments may be elected subject to the Minimum Modal Annuity Payment. The amount of such payments will be calculated and provided upon request. The application of proceeds to a Settlement Option is an irrevocable election.

SETTLEMENT OPTIONS

The following Settlement Options are available:

OPTION ONE - LIFE ANNUITY

Payments will be made during the lifetime of the Annuitant. All payments of any kind will cease with the last payment due prior to the death of the Annuitant. The amount of each payment will be determined by Us at the time the Settlement Option is elected. If there are Joint Annuitants, the Written Request electing this Settlement Option must specify the Annuitant whose life is to be referenced in determining the payments under this Settlement Option.

OPTION TWO - LIFE ANNUITY WITH PERIOD CERTAIN

Payments will be made for the Period Certain of ten (10) years and thereafter for the lifetime of the Annuitant. The amount of each payment will be determined by Us at the time this Settlement Option is elected. If there are Joint Annuitants, the Written Request electing this Settlement Option must specify the Annuitant whose life is to be referenced in determining the payments under this Settlement Option.

OPTION THREE - JOINT AND LAST SURVIVOR ANNUITY

Payments will be made during the joint lifetime of the Annuitant and a designated joint Annuitant and, after the death of one, during the remaining lifetime of the survivor. Payments under this Settlement Option depend on the age and sex of the Annuitant and the designated joint Annuitant on the Annuity Date. The amount of each payment will be determined by Us at the time this Settlement Option is elected.

INTEREST RATES AND MORTALITY TABLE

The mortality table used in determining the guaranteed minimum annuity payment rates for Settlement Options One, Two and Three is the Annuity 2000 Mortality Table projected for mortality improvements using Projection Scale G. The interest rate used is 1%.

An Adjusted Age is used to determine the applicable guaranteed minimum annuity payment rate. The Adjusted Age equals the actual age(s) of the Annuitant(s), in completed years and months, as of the Annuity Date, less an age setback. The age setback is one year for each ten year period beginning with the years 2020-2029. The age setback is one year for Annuity Dates occurring during the years 2020-2029, the age setback is two years for Annuity Dates occurring during the years 2030-2039, and so on.

The annuity payments at the time of their commencement will not be less than those that would be provided by applying the Surrender Value to purchase a single premium immediate annuity contract at purchase rates offered by the Company at that time to the same class of annuitants.

ADMINISTRATIVE PROVISIONS

Payments may also be made under any other Settlement Options then being offered by Us. The first income payment under any Settlement Option shall be made on the Annuity Date unless otherwise provided in the election. In all events the first payment must be made within one payment interval from the date the amount is applied to the Settlement Option. Proof of age may be required before the first payment is made. Proof that the Annuitant is living may be required before any payment is made under any option.

SECTION V

GENERAL PROVISIONS

THE CONTRACT

This contract is issued in consideration of the application and receipt of the Premium.

This contract and any amendments or endorsements hereto are the entire contract.

No change or waiver of any of the provisions of this contract will be valid unless made in writing by Us and signed by Our Chief Executive Officer, President, Vice President or Secretary. No other person has the authority to change or waive any provision of Your contract.

If the age or sex of any Annuitant, Beneficiary or Owner has been misstated, the amount payable by Us will be that which would be due if the true age or sex had been stated. If We make or have made any overpayments or underpayments due to the misstatement, the excess amount and interest at a rate not to exceed 6.00% per annum will be charged against, or added to, the payments coming due after the adjustment.

THE BENEFICIARY

The Beneficiary designation contained in the application will remain in effect unless changed by Written Request.

Subject to the rights of an irrevocable Beneficiary, the Owner may change the designation of Beneficiary. The change or revocation will not be binding upon Us until We receive Your Written Request. The change or revocation will take effect as of the date on which the Beneficiary designation or revocation was signed, unless otherwise specified by the Owner. If an irrevocable Beneficiary has been named, the Beneficiary cannot be changed without the consent of the irrevocable Beneficiary. Any change or revocation will be without prejudice to Us on account of any payment made or any action taken by Us before We receive the Written Request. We have no liability under any change for Our actions or omissions made in good faith.

CHANGE OF ANNUITANT

The Annuitant(s) may not be changed except as permitted in the Payment of Death Benefit section or the Death of Any Annuitant Prior to the Annuity Date section.

NON-PARTICIPATING

The contract is non-participating; it does not share in the profits or surplus of the Company.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION (IIPRC) STANDARDS

This contract is approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this contract that, on the provision's effective date is in conflict with the applicable IIPRC standards for this product type in effect as of the provision's effective date of Commission contract approval is hereby amended to conform to the IIPRC standards in effect as of the provision's effective date of Commission contract approval.

OWNERSHIP

This contract shall belong to the Owner named in the application (who may or may not be the Annuitant) or to the Owner's transferee. All ownership rights may be exercised by the Owner, subject to the rights of any assignee of record with Us.

Ownership of this contract may be changed by Written Request, unless such change is restricted by endorsement to this contract. The Company will not be considered to have received a request to change ownership of this contract until the Company receives the Written Request at the Service Address. The change will then take effect as of the date the Written Request was signed, unless otherwise specified by the Owner. The change will be without prejudice to Us based on any payment made or action taken by Us prior to receipt and acknowledgment of the Written Request.

ASSIGNMENT

You may request to assign an interest in this contract by Written Request. There is no separate charge for this Endorsement. Waiver under this Endorsement is available on or after the first Contract Anniversary.

Eligible Nursing Home: a licensed hospital or licensed skilled or intermediate care nursing facility at which medical treatment is available on a daily basis and daily medical records are kept for each patient.

Qualifying Contract: a contract that was purchased prior to the Owner's 76th birthday and has been in force for at least one (1) year.

If Your contract is a Qualifying Contract and the Owner shown in the Specifications Pages on the Contract Date has been confined in an Eligible Nursing Home for a period of 90 continuous days beginning on or after the Contract Date, We will waive the Withdrawal Assessments in accordance with the conditions set out in this Endorsement. The withdrawal or surrender request must be made by Written Request and in a minimum amount of \$1,000.

This Endorsement is subject to all the exclusions, definitions and provisions of Your contract which are not inconsistent herewith. **SUMMARY OF THE
WEST VIRGINIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT
(Effective July 1, 2019)**

Residents of West Virginia who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the West Virginia Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policy and contract owners, certificate holders, and enrollees of covered policies and contracts will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of covered persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these member insurers through the Guaranty Association is not unlimited, however, and as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The West Virginia Life and Health Insurance Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in West Virginia. You should not rely on coverage by the West Virginia Life and Health Insurance Guaranty Association in selecting an insurance company or health maintenance organization, or in selecting an insurance policy or contract. For a complete description of coverage, consult Article 26A, Chapter 33 of the West Virginia Code.

Coverage is NOT provided for any portion OF YOUR CONTRACT that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies, health maintenance organizations and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy or health maintenance organization coverage.*

The Guaranty Association or the West Virginia Insurance Commission will respond to questions you may have which are not answered by this document. Policyholders with additional questions may contact:

The state law that provides for this safety-net coverage is called the West Virginia Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the West Virginia Life and Health Insurance Guaranty Association if they live in West Virginia and hold a life, health, or annuity policy, plan, or contract, or if they are insured under a group life, health, or annuity policy or contract, issued by a member insurer. Member insurer also includes non-profit service corporations (W. Va. Code §33-24), health care corporations (W. Va. Code §33-25), and health maintenance organizations (W. Va. Code §33-25A). The beneficiaries, payees, or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies, plans, or contracts are not protected by this Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent member insurer was incorporated in another state whose guaranty association protects insureds who live outside the state);
- The member insurer was not authorized to do business in this state;
- The policy, plan, or contract was issued at a time when the member insurer was not licensed or authorized to do business in the state;
- Their policy, plan, or contract was issued by a fraternal benefit society, mandatory state pooling plan, a mutual protective association or similar plan in which the policy, plan, or contract holder is subject to future assessments, an insurance exchange, or organization that has a certificate or license limited to the issuance of charitable gift annuities or any entity similar to the above.

The Guaranty Association also does not provide coverage for:

- Any policy, plan, or contract, or portion of a policy, plan, or contract that is not guaranteed by the member insurer or for which the individual or contract holder has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends;
- Credits given in connection with the administration of a policy, plan, or contract by a group contract holder;
- Employer or association plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured, including:
 - i. multiple employer welfare arrangement;
 - ii. minimum premium group insurance plan;
 - iii. stop loss group insurance plan; or
 - iv. administrative services only contract.

- Any unallocated annuity contract issued to or in connection with a benefit plan protected under the federal pension guaranty corporation;
- Any portion of any unallocated contract that is not issued to or in connection with a specific employee, union, or association's benefit plan or a governmental lottery;
- Any policy, plan, or contract providing any hospital, medical, prescription drug, or other health care benefits pursuant to Medicare Part C and D or Medicaid;
- An obligation that does not arise under the written terms of the policy, plan, or contract, including claims based on marketing materials; claims based on side letters or riders not approved by the Commissioner; misrepresentations regarding policy benefits; extra contractual claims or claims for penalties or consequential or incidental damages;
- A contractual agreement that establishes the member insurer's obligation to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or trustee, which is not an affiliate of the insurer;
- Structured settlement annuity benefits, the rights to which have been transferred by the payee or beneficiary in a structured settlement factoring transaction.

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the member insurer would owe under a policy, plan, or contract. Also, for any one insured life, regardless of the number of policies, plans, or contracts, the Guaranty Association will only pay:

- \$300,000 in life insurance benefits, but no more than \$100,000 in net cash surrender and net cash withdrawal values;
- \$300,000 for disability insurance;
- \$300,000 for long term care insurance;
- \$250,000 in the present value annuity benefits, including net cash surrender and net cash withdrawal values;
- \$500,000 health benefit plans (W. Va. Code §33-26A-5(10)); and
- \$100,000 for all other types of accident and sickness insurance coverages not defined as disability income insurance, long term care insurance, or health benefit plans.

Also, for any one insured life, the Guaranty Association will only pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company - for all policies or contracts other than health benefit plans, in which case the aggregate limit shall not exceed \$500,000 with respect to any one individual.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b), or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits, including net cash surrender and net cash withdrawal values, per participating individual. In no event shall the Guaranty Association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
